

NOTE FROM THE PARISH PRIEST

Welcome to the Sacred Heart Church Mysore website. I'm glad you've made it here and would love for you to attend our daily or weekly Mass in English or Kannada to listen to the Word of God (link to mass timings).

This beautiful world that we call home has been created with so many creatures, some visible, but more often than not, creatures that are invisible. Our Creator did so in order to keep the Earth and us, human beings...moving, going, and continuing.

Every human body is unique and has trillions of cells, each of which should be taken care of.

"Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honor God with your bodies." (1 Corinthians 6:19-20)

The scripture teaches us that our bodies are vessels of God and we should keep them in good health. For if there is one cell that is sick, then it is very easy for that to extend to other cells, causing pain and sickness. But if the body is healthy, then the cells too are healthy, and the person resonates this healthiness and happiness to others.

Jesus said, "Come to me, all of you who are weary and carry heavy burdens, and I will give you rest. Take my yoke upon you. Let me teach you, because I am humble and gentle at heart, and you will find rest for your souls." (Matthew 11:28-29)

We welcome anyone to join us at the Sacred Heart Church in Mysore. It does not matter who you are or where you come from...our doors are always open to those who want to pray or need prayers. You can find out more about our Church and its activities on this website, or by getting in touch using the contact form at the bottom of the site.

With all good wishes,

Father Anthappa

ABOUT SACRED HEART CHURCH MYSORE

The foundation stone of the Church of the Sacred Heart was blessed and laid by Valerian Cardinal Gracias, Archbishop of Bombay on July 4th in 1962. Three years later, the newly built Church was then blessed and inaugurated by the most Rev. Dr. Mathias Fernandes, Bishop of Mysore on the 1st of January in 1965.

Sacred Heart Church is an offshoot of St Joseph's Cathedral, Mysore. The Church has blessed thousands of parishioners with the sacraments and graces in their lives. These have acted as catalysts of change, transforming them to be better human beings, not only in Mysore but around the world. Even today, Sacred Heart Church receives visits from passerby's of different faiths, who stop for a moment, remove their sandals as a sign of reverence, and enter the Church to praise and worship God.
